Requesting/Inquiring:

The Golden Gate National Recreation Area (GGNRA) is proposing to restrict recreation by people and pets on 60% of all parklands in the City. Can the City pressure the GGNRA to institute the current Court mandated 1979 Pet Policy as the Section Seven Special Regulation requires?

Instead of instituting the 1979 Pet Policy, the GGNRA has proposed "Negotiated Rulemaking", and the City is not participating in the process. Can you describe the rules that govern "Negotiated Rulemaking", and what rights the City and GGNRA have in relation to it?

The deeds, which transferred property to the GGNRA, contain reversion clauses for these properties. If the GGNRA violates the mandate in the property deed that requires that recreation be the primary use for GGNRA properties, can the City reclaim the deeds?

Requesting/Inquiring:

The Golden Gate National Recreation Area (GGNRA) is proposing to restrict recreation by people and pets on 60% of all parklands in the City. Can the City pressure the GGNRA to institute the current Court mandated 1979 Pet Policy as the Section Seven Special Regulation requires?

Instead of instituting the 1979 Pet Policy, the GGNRA has proposed "Negotiated Rulemaking", and the City is not participating in the process. Can you describe the rules that govern "Negotiated Rulemaking", and what rights the City and GGNRA have in relation to it?

The deeds, which transferred property to the GGNRA, contain reversion clauses for these properties. If the GGNRA violates the mandate in the property deed that requires that recreation be the primary use for GGNRA properties, can the City reclaim the deeds?

through (e)], the Katherine Delmar Burke School Addition, located at 229-32nd Avenue (aka 7070 California), Block 1392, Lot 037. The proposed project entails construction of a two-story, 26.5-foot tall arts and science building containing six classrooms, and removal of a paved tennis court presently occupying the site. The new 9,569 sq.ft. infill academic building would add 16 percent capacity in the 3.32-acre campus' existing 60,407 sq.ft. of built space. The project site is rectangular in shape, consisting of approximately 7,200 sq.ft. or 0.165 acre in size. The project site, within the Katherine Delmar Burke School campus, is set back from El Camino del Mar to the north and is also bounded by Lincoln Park to the west and 32nd Avenue to the east. Located in the Sea Cliff neighborhood, the project site is within the RH-1 (D) Residential, House, One-Family (Detached Dwellings) District and a 40-X Height and Bulk District. The Project would require conditional Use authorization for modification to an existing Planned Unit Development (PUD) and authorization for expansion of an educational use.
